Clubhouse News

Imagine This ~ By Bob Philo Board Of Governors President

I have been reading a lot lately about the inevitable changes that are coming to both private clubs and the game of golf. Both are discretionary items in everyone's budget. Both are subject to increasing costs and pressures on sustainability. And both are all about the experience.

Eldorado Country Club is well positioned for the future. Our clubhouse is not too big or too old. Yes, there are times when we need more room; but a packed house is much better than an empty one. We just have to be more creative in our uses of the space we have. Our clubhouse is contemporary casual and appeals to the younger generation that is our future. We have modified our dress code to match current trends. Our Clubs within a Club and our many, varied social events appeal to all ages and are well attended. Kid's Club and other children's activities are always successful. We are going in the right direction.

So, what is missing? What do we need to insure that our ECC member experience will continue to improve and exceed our ever-changing, ever increasing expectations? We need our existing members to continue to support and use our club. And we need more, active members so that we can build up our Wish Funds to make enhancements to our facilities and club experiences.

See you around our club.

Bob Philo

Ambassador News ~ By Todd & Wendy Hall Ambassador Co-Chairs

This month we would like to thank all the Ambassadors for their hard work in getting our New Members involved in the Club. Martini's was awesome this month and we had a great turn out. The Ambassadors' were out and about that night meeting some new and exciting people, all while enjoying the great music, drinks, and even a little dancing. If you weren't able to make it, we sure hope you do this month. We also had one of the largest turn outs for the Ambassador Brunch. Great work Ambassadors!

We would also like to thank all the members throughout the club who have been stopping and introducing themselves to our new members and member candidates. We really appreciate your help in making our club feel like a home away from home for all our new friends.

This month we will be finishing up our ideas and plans for our upcoming events and as always diligently working to help our new members get acclimate to the club. So if you see any of us or Jill with new members or member candidates, keep up the good work, and welcome them to the club.

This month we would like to introduce Ambassador's Scott and Sharee Renshaw. Scott and Sharee Renshaw have lived in Allen for 30 years. They have 3 daughters (Renee 28, Bridget 26, and Nicole 20). Scott owns his own service company, Scott Renshaw Company and Sharee is the HR Coordinator for Halo Companies, Inc. in Allen. In their spare time they enjoy golf and going to the movies.

Thank You For Being a Member!

Message From The Manager ~ By Jayson Petersen General Manager

I don't know about you guys but I sure am looking forward to Spring! We have a lot of events kicking up this month and I look forward to seeing you all out here. Between Powerball, Girls-Giggles & Golf, MGA, EWGA and EWTA there is a little something for everyone. We have even got some great Mom's and Ladies Nights out planned. Don't forget about the kids, we have started up weekend Junior golf clinics and Grady has on going Junior tennis development weekly. Eldorado truly is a great place to spend time with family and friends.

Thank you all for being members!

2 Man Devils Tournament Format

Format: 2-Man teams will be flighted according to handicap and number of entries. This is a pick your own partner event. (Golf shop can help you)

6 - Holes Chapman = Both players hit tee shots. Player A then hits B's tee shot and player B hits A's tee shot. The team then selects with which ball they wish to continue and they will do so alternating shots until the ball is holed.

6 - Holes Scramble = The player whose shot is selected plays his ball down and first. The other player will play within one grip length.

6 - Holes Best Ball = Both players will play their own ball using 100% of the handicap. The team will count the best net score as the team score.

2010 Handicap Committee Members

Karen Gibbons - Ron Harper - Paige LaSalle - Laura Spearman
Jim Staif - Rich Wright - Scott McClinton, non-voting

The USGA requires that a golf course must have a functioning Handicap Committee with specific responsibilities in order to receive and maintain a USGA rating. Eldorado Country Club's Handicap Committee, as required, is member comprised and its function, on behalf of the membership as a whole, is to preserve and enhance the validity and accuracy of our handicapping system.

Our GHIN system and internal reporting is improving, and the Handicap Committee is getting closer to the point we can identify those who appear to be committing scoring infractions without total dependence on complaint from another member. That said, no small group of individuals can be effective in this task without the support and involvement of the membership. Just as the game of golf is inherently self-regulated, the membership must actively participate in its own policing. When suspected offenses in scoring accuracy or selective reporting do occur, members should pass their observations and concerns to a member of the Handicap Committee. Each and every referred or identified concern will be addressed and handled with discretion. Upon investigation, without mention of the complaining party, the Committee may decide to notify the involved party of the concern(s). Notification will usually be by letter, sometimes as a warning without further action. On other occasions, or due to repeated occurrences, we will be obligated to challenge the involved party to explain their reported results. In the absence of an acceptable explanation, USGA guidelines provide several alternatives. A lowering of the individual's course handicap through penalty stroke deductions is the most common one, but harsher penalties are available when necessary or appropriate.

Thought for the month... Turning in scores is not optional, nor seasonal. Each round played, whether just 9 or a full 18 holes... regardless of match play format, score or where played, must be turned in and recorded on Eldorado's GHIN system.

This is the time of year when many players feel that they have an acceptable reason not to post or to selectively post their score. Like it or not, that is not true. Unlike some parts of the country, in this part of Texas we are a 12 month golfing region. Neither winter conditions nor weather nor having played elsewhere under better conditions is an excuse for not posting a score.

Nor is there such a thing as a "practice" round unless multiple balls are played or other true practice-like play is conducted and conventional scoring is not possible. The folks that just can't bring themselves to record those high winter scores not only hurt themselves each spring, but undermine their partners in the many competitive team games played in the golf outings and associations we have at Eldorado. When spring finally comes, you may not be proud of your handicap, but you will be more competitive. Now that the GHIN system is updating our handicaps twice a month, score posting behavior should be more noticeable and easier to supervise. So please make sure each round you and your group play is duly and promptly recorded.

Eldorado Nine Hole Golf Association

The ENGA season begins March 3, with a short meeting in the ladies' card room at 8:30 AM, followed by a 9:00 AM shotgun start.

We welcome golfers of all ages and skill levels for a no pressure, relaxed, fun nine holes of golf. If you would like to join us, please call the pro shop by 1:00 PM on Tuesdays to sign up for Wednesday play.

Please contact Cindy Sander at cindy.sander@gmail.com or 972-618-2794 with any questions.

On the Greens

~ By Aaron Schick
Golf Course
Superintendent C.G.C.S

As I begin to write this we have yet to have a day reach the average high of sixty for the month of February. We have had snow four times and the last one was the most snow I have seen since living in North Texas the last sixteen years. That being said I am sure that there are warmer days ahead. With spring just around the corner the course will begin to break dormancy and start getting green. The green grass will be a welcome sight after looking at dormant turf throughout the winter. However just because the turf is green does not mean that it is actively growing. In most cases our course does not start actively growing until the night time temperatures start averaging in the mid sixties. So as we begin to transition this month let us keep in mind that the turf albeit green may not be actively growing till mid April. We look forward to seeing you on the course!!

Thank You for being a member!!

Member of the Month

~ By The Hoover Family

Jon and I have been members at Eldorado for about 2 years now and love it! We both graduated from Oklahoma State University and met while we were working at Eskimo Joes. Directly after college we found ourselves in DFW. We had the most fantastic wedding in Las Vegas, got our beautiful baby Weimaraner, "Newman", and built our first home here in McKinney. I have worked for a property management company, managing apartments, for about 6 years now and Jon is recently enjoying being unemployed. (Of course this enjoyment can only last so long, so if anyone happens to be hiring a super sexy salesman with incredible dance skills, he is your guy).

We have been so blessed with the wonderful friends we have made here at Eldorado. Jon loves his golf and is even attempting tennis again. Together, we enjoy playing in the couple's golf tournaments like Drink N'Drive and Guys and Dolls. Also, if you haven't spent a Sunday afternoon at Brunch you are certainly missing out. This is our second year serving on the Ambassadors Club and we look forward to welcoming many new members to our club in 2010. Thank you all for making Eldorado such an enjoyable part of our lives.

Hey Everyone,
Team Tennis is off to a great start and
I want to remind anyone interested in

team tennis to give us a ring as there will be new teams starting up in the summer. If you are new to the sport then team tennis is not out of reach with a few beginner classes. We have traditionally had an ongoing beginner class year round, but we are starting a **beginners only** pre-set 6 week class on Friday mornings from 9-10:30. This Class is limited to the first 8 players who sign up! These classes are set to begin March 5th, 2010!

COURTS IN USE

Mark your calendar as the courts will be in use March 27th and 28th for the Eldorado DPTA tourney. There WILL NOT BE DRILL on that date due to use of courts. The ELDORADO SHOOT OUT ON March 13th might also fall under this situation depending on number of entrants. We would love to have a full tourney with all members playing, but if we do not and there is room for drill we will try to accommodate both. Thank you for your help with this situation.

6.10 DRESS CODE

(a) General. At the February 2010 meeting of the Board of Governors, it was unanimously voted to amend the dress code. The dress code will change from time to time as fashion and the tastes of our membership change. Effective March 1, 2010, these changes will be enforced, so please be sure everyone in your home and your guests are aware of our dress code and thus avoiding a potentially embarrassing situation.

In general, attire and grooming should not be offensive to other members or their guests. Management reserves the right to refuse club privileges to anyone it determines to be in violation of the dress code. The club at its discretion may require specific dress for certain events.

Children under the age of 10 are allowed to wear shorts and T-shirts as long as they are not tattered, torn or in disrepair. T-shirts should be tucked in and should contain no vulgar words or symbols.

(b) Golf. Shirts must be worn at all times on the golf course and within the social area of the Club. Men's shirts must have collars, or mock turtleneck collars, and sleeves. Shorts must be of Bermuda length or a style specifically designed for golf. Golf shoes must be worn on the course. Eldorado Country Club prohibits metal spikes on the course. All the following types of clothing are prohibited on the golf course: denim (so-called "jeans") of all types and designs, short shorts, cut-offs, running shorts, tennis-length skirts, T-shirts, tank tops and sweatshirts.

(c) Tennis. Members must wear appropriate attire in styles specifically designed for tennis at all times while using the tennis facilities. No black-soled shoes of any type are permitted on the tennis courts.

(d) Swimming. Only proper swimming attire is permitted in the pool area. Cutoffs are prohibited. Parents may wear street clothes with rubber-soled shoes when they are present to supervise their children. Wet bathing suits are not permitted outside the pool area. Bathing caps are optional. Hair pins may not be worn in the water. No golf clubs, golf balls or other non-swimming equipment is allowed in the pool area.

(e) Grill. Golf attire, tennis attire, appropriate denim* and appropriate shorts** are permitted in the grill. Gentlemen must wear shirts with collars, or mock turtleneck collars, and sleeves. Shoes are required at all times. Swimsuits with appropriate cover-ups are only permitted for passing through the grill or picking up a food order.

(f) Ballroom. Appropriate denim* and appropriate shorts** are now acceptable in the ballroom. Gentlemen must wear shirts with collars, or mock turtleneck collars, and sleeves. Shoes are required at all times. Swimsuits, tank tops, T-shirts, swimming shorts, workout shorts, cut offs, etc. , are not permitted. Athletic caps or hats must be removed for Sunday brunch.

* Appropriate denim is defined as jeans being worn and cut at waist level, clean, in good repair, free of holes and not excessively baggy. They should not be tattered, frayed, patched or discolored.

**Appropriate shorts are defined as golf shorts and walking shorts.
