Imagine This ~ Lisa Baird Board Of Governors President

The Wish List is coming! A survey is being put together by the Wish List Committee for suggestions on how to spend your Wish List money. This survey will be sent out to every member by email. When you get it, simply rank each suggestion based on how important it is to you. Once the committee gets back the responses, they will compile a list based on your responses of the top-ranked wishes and present it to the Board of Governors for approval. I have already taken a practice survey, and the committee has come up with some excellent ideas.

On a side note, we have noticed a lot of kids playing and/or riding their bikes on the golf course. This can be very dangerous. The cart paths are just that, cart paths. They are not hike and bike trails. Please make sure your kids know that it's not okay to cut across the golf course and it's not okay to play on the golf course.

And we can finally golf without layers and layers of clothing, or maybe it's just me who was golfing in all those layers and glove warmers, etc. I have discovered that when I'm wearing all those clothes and look like I'm going golfing in Alaska, my husband is wearing shorts looking like he's going golfing in the Bahamas. And on a sad note, I accidentally ran over a squirrel with my golf cart. I'm sure he's fine. Probably just a little sore. I'm going with that. So watch out for the furry creatures zipping and scurrying in front of the golf carts (that you have to have a driver's license to drive while wearing appropriate golf attire).

See you at the club!

Ambassador News ~ By Rob & Jennifer Spring

St. Patty's Day Martini's was a blast! Green beer, Apple Martini's and Irish Car Bombs...the only thing missing was the pot of gold.

This month's Ambassador Spotlight is on Scott and Sharee Renshaw. They are 2 term Ambassadors since joining the Club in 2008. The Renshaw's enjoy all aspects of the club, but golf is their favorite. Scott plays in the MGA and in the Smith group on the weekends. Sharee is part of the EWGA and they both love playing in the couples and team events like Drink and Drive, and Guys and Dolls.

Their favorite menu items are Steak Night and yet again the infamous Eldorado Nachos get another vote. When asked what their favorite special event was they said "New Years Eve", Jennifer and I have not had the pleasure of a New Years Eve party at the Club yet but looking forward to next year it sounds like we've missed out.

Sharee is an HR Manager and Scott is a business owner. They have 3 children; Renee 29, Bridget 27, and Nicole 21.

An interesting thought from Scott:
"We all love to eat but Sharee has never cooked"

Scott and Sharee, thank you very much for being a part of Eldorado and serving on the 2011 Ambassador Club.

Cheers,
Rob and Jennifer Spring

On the Greens

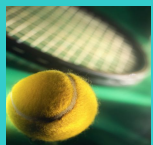

~ By Aaron Schick
Golf Course
Superintendent C.G.C.S

Now that April is upon us it is time for the golf maintenance staff to start transitioning from winter projects to daily maintenance. The grass should all be out of dormancy and actively growing. Before we get to that I would like to recap one of the major projects we undertook this winter. The tree trimming we accomplished over the last several months should have a lasting impact on the playability the course for the years to come. I have already starting compiling a list of areas that need to be addressed next winter. Please view the included photos of the trimming done on #13.

Also to prepare for the growing season we have received some new walking greens mowers. I know our staff and I are very excited about the arrival of these new machines. They will give us more flexibility and dependability than the units we are retiring. So we just want to say thank you for being a member and your continued support of the club. We will see you on the course.

Thank you for being a member!!
Aaron Schick, CGCS

JUNIOR TENNIS

ALL STARS

We know this is early for our working moms and we have had some interest for a class on Wednesday nights. We need 6 juniors by April 11 to make this class which will start out as a group lesson, so if you are still interested now is the time to sign up. This class and all ALL STAR classes utilize the quickstart format of youth tennis training.

This ALL STAR class now incorporates a "transition" class from 4-6 pm for juniors who are ages 9-11 and close to moving up in level. These juniors use their time as leaders for the 4-5 class time and as learners for the 5-6 class time. This class allows for their own development on 60 ft court and growth into the eventual 78 ft court.

Ages 4-6 Tue/Thur: 4:00 - 5:00 p.m.

Ages 7-11 Tue/Thur: 4:00 - 5:00 p.m.

EXCELLENCE and TOURNEY

12 punch card is only \$10 more than an 8 punch card and nets the classes down to less than \$9/hour!! The only thing we ask for this great price is to be diligent. The 12 punch card is a use or lose card and is valid for 5 weeks. Come 2 -3 times per week, increase your tennis skills, and get a great price!!! There's nothing better!

Pre-Tourney (Ages 12-15)

Excellence Players (Ages 12-18)

M: 4:30 p.m. - 6:30 p.m.

T : 4:30 p.m. - 6:30 p.m.

Tennis Talk At Eldorado

~ By Grady McKee
Director of Tennis

Hey Everyone,

The Poker Run Tourney was "ALL IN" fun and we could not have asked for a better night of tennis. We hosted 24 players for tennis, drinks, social, appetizers, and poker opportunity for shop credit! "What is that you ask?"...Well every round the players were rewarded with 1 or 2 cards to draw for a poker hand at the end of the night. It was fun as all players had an opportunity to win! Kevin Graham won First Prize, The Klingers won second, and Tiffany Cunningham took third! Everyone had a great time and if the camera card had not of reformatted I could have included the pics to prove it. Look forward to the next event sponsored by the EWTA May 14th.

Thanks again to everyone that helped out on March 26 and 27th. The Eldorado DPTA Junior Tourney was a great success and we appreciate everyone's support of the event. We also hosted the Be My Guest golf tourney hole for the tennis department and the EWTA was gracious enough to donate their time and effort to the cause of welcoming new members golf and tennis alike. We can not accomplish our goals without such great teamwork!

Fitness for Youth and Teens

Classes will be held the 2nd Sunday of each month
from 12:30-1:30*

Many of us have children that are either involved in sports and would like to use the fitness facility to train during the off season or just like to use the equipment available for exercising. With the growing concern of childhood obesity in our nation we would like to offer a solution to our fitness area age limit that provides a safe environment for everyone.

Fitness Age Policy

For the safety of our children we have decided to limit the fitness area to adults and children over 16 year of age. If you have children between the ages of 10-15 that would like to use the fitness equipment they must attend a Youth & Teen Fitness Class before fitness facility privileges are granted.

The class focuses on proper technique, safety, and etiquette in the weight/cardio room as well as in the group exercise room. After taking the class children 10-15 years old may use the fitness facility without immediate parent supervision.

Please note that if your child does not take the class you can not have them in either fitness area even if you are supervising them.

The cost of the class is \$20.00 and you can sign up by calling Cindy Durham, Eldorado Country Club Group Fitness Coordinator, at 214-289-0248.

* You must call to sign up. Individual appointments can be made if this time is inconvenient.
