# Imagine This...

by Lisa Baird, Board of Governors President

600

That is the magic number we have been striving so hard to reach. We finally have 600 full golf members. WOW! That is incredible. A little more than a year ago, we had 320 full golf members, and **things were kind of gloomy. 600 means full with a wait list. But that doesn't mean the club doesn't need your referrals.** Because of the monthly attrition (the number of members we lose each month), we will always need your referrals to maintain 600. So keep them coming.

**It amazes me the number of parents who think it's okay for their child to drive a golf cart. If you wouldn't let your 7-year old drive your car, don't let your 7-year old drive a golf cart.** The liability is huge for you and the club. This includes those of you with your own private golf cart.

For those of you who have signed up for the Palmer Advantage before the end of last year, you received two free nights at PGA National. My husband and I just got back from there, and it was a great **experience. We paid for an additional night so we could play 3 days. Besides Doug's dislocated knee-cap on the 4<sup>th</sup> hole of the Champion course, I have no complaints. Wouldn't it be a good idea if every time someone went to a Palmer course, that you could report back to the members about the experience? Things like the course conditions, restaurants nearby that are good and maybe not so good, the accommodations, etc., would be helpful in planning a trip. I'll see what we can do about that.**

For those of us who never look at the menu in the grill and order the same thing every time, there are new items. So go out on a limb and give something new a try.

See you at the club!

# Ambassador News

by Rob and Jennifer Spring

As many of you have heard, our club membership is just like Rob's beer at the bar, nice and full. Just like his beer, we have to keep filling it up. The ambassador's group is proud to welcome New Members each week who like all of us, want to enjoy in the benefits of Eldorado Country Club. It is a very exciting time to be apart of our Club.

The summer heat is now upon us and has been for a couple of weeks. The Spring family has already been enjoying our time by the pool. We get to watch Robbie do flips off the diving board to impress the ladies laying out and we love getting to meet all the New Members and their families.

So, if you are at the pool, eating in the grill, or chasing the little white ball around, make sure to take a second to see who is new in our Eldorado Family. Have a great summer and don't forget the sunscreen!

Tennis Talk  
At Eldorado

Hey Members,

**If you didn't notice, the courts are a buzz with activity.** Summer camp and Juniors are in full swing and court space is tight on Wed and Friday Morning for sure, but almost all morning require a court reservation if you want to get in early. Just keep it in mind as our program is bursting and camp sign ups are only getting bigger! We **appreciate everyone's patience and business.** I am very proud to announce that our juniors are posting great results at the junior tournaments and in large part due to the excellent staff we have. Please make sure to thank Jamie and all staff members for their effort in the heat to provide such a great product for our members. Jamie is a large proponent for the junior development and the coordination of LEAGUE tennis. It is a tireless job and I think the leagues benefit from his efforts to match players up!  
Thanks, G

Have you heard? The Men's Tennis Teams have made the playoffs and will compete in the Men's City Playoffs in July! Both the Men's 4.0 (Capt. Bovie Browning) and Men's 3.5 (Capt. Dan Delaughter) teams have made the playoffs and we look forward to their quest for a spot at Sectionals. It is a difficult thing to do, but with both teams only dropping 1 match all season I feel confident they have a great chance at success. These teams are drilling and putting in the time to have a successful season and we are proud to have these guys as part of the TEAM ELDORADO. Good Luck!

The month of July is shaping up to be busy for the golf course maintenance department. We have our second greens aerification taking place on Tuesday the 5<sup>th</sup>. This aerification will be the same as the one performed in May. Everything should heal in seven to ten days.

Once greens aerification is complete we will begin working on projects sponsored from our Partners fund. We will be leveling the tee boxes on holes five, six, and sixteen. The railroad tie wall in front of the tee complex on hole seventeen will be replaced with a stone wall. Also drainage will be added to the approaches on hole four, seven, ten, sixteen, and seventeen.

Between aerification and these projects we will have about three weeks of disruption. Please have patience during this time as the finished product will definitely be worth it.

Thank You for being a member!!
