Imagine This...by Lisa Baird, Board of Governors President

HOORAY!! The grill is finished, and it looks great. It was definitely worth the wait. Be sure to notice the Luis Bazan paintings on the wall. For a small fee he might do one for you. As I'm typing this, I'm thinking how fast the year flew by and how much we accomplished this year. None of it would be possible without Jayson Peterson, our general manager, Scott McClinton, our golf pro, or any of the wonderful staff that is now too numerous to mention. Please be sure to thank them for all their hard work in putting up with all of us. I kind of think most of us are high maintenance members.

We had our last board meeting of the year, and I want to thank all of the board members for their time and service. Being on the board isn't just about coming to a meeting once a month. It's about being involved with our club and making tough decisions that benefit the majority of the members. Serving as the President for 2011 was certainly an honor and an experience that I will never forget.

See you at the Club!

Ambassador News... by Todd & Wendy Hall

Hi Everyone,

It is good to be back in the saddle again for another wonderful year at ECC. Before we get started, we would like to thank Rob and Jennifer for doing what they have done for the club in 2011. If you see them make sure that you give them a pat on the back for the great job that they did in 2011.

We are excited to work with such a great group of ambassadors for 2012. We have some good times planned for this year and we can't wait to see you out at the events. The most exciting event for us is the "Be my Guest Tournament". It is always fun for new members to bring out their guests so that they can experience the ECC way of life. Please let us know if we can help you with anything.

Can't wait for a great 2012.

Thank you to all of our sponsors!

From the General Manager

I hope everyone had a great Christmas and Happy New Year! For those of you who spent New Year's Eve with us, we were certainly glad to have you. It was a fun event. With the holiday's now behind us we have begun planning for 2012! We will continue to build on our social calendar to ensure that it is filled with events and activities for the whole family. So be sure to watch for your upcoming newsletters and calendars for them all.

2012 is going to be an exciting year in membership! Thanks to your continued support through sponsoring new members we will have about \$100,000 to spend this year and are looking forward to spending every penny! We have completed the Sports Grill renovation and are now on to planning future capital projects. On the radar for this year is an expanded outdoor dining area and improvement to our golf course and tennis facility. More information to come over the next few months!

It is going to be an exciting time at Eldorado. I hope everyone has a prosperous 2012 and thanks for being a member!

Jayson Petersen

On the Greens by Aaron Schick Golf Course Superintendent

From the entire golf course maintenance staff, we hope everyone had a Merry Christmas and wish all a Happy New Year.

Usually this time of year we take time to reflect on the previous year. We look at successes and failures and try to build upon them.

Personally I am going to skip that this year because I do not care to think about the long, hot, dry summer we endured. Instead I am going to look forward to the New Year and embrace whatever challenges are presented.

Also January is the start of tree trimming for the golf maintenance staff. We will again be renting a lift and trimming trees throughout the course. There will be a lot of thinning and the raising of canopies. Most areas that are addressed are done with maximizing turf health in mind.

Thank you for being a member.

Christina Richmond Membership Director

The Junior Academy is still growing through the winter and it's a great time to get your junior active in golf. There will be an upgraded junior program coming out early next year, so keep an eye out for more details to come. There will also be Spring Break Golf Camps, so mark your calendars!

Eldorado Junior Drop-In Mondays

We will have instructors out from 4:30-6:30pm to help juniors prepare for NTPGA tournament golf and their High School Program.

Cost will be \$10 per session, or they can buy a pass of 10 sessions for \$80.

The program will start on September 19th and run every Monday all the way through the fall.

Chad & Chad have both played at the college golf level and know what it takes to play successful high school and college golf, and that is what this program is for, to prepare juniors for successful high school and tournament golf.

Ages 10 and up are welcome to join. Also, any junior is welcome and they do not have to be a member of the club.

Time will be split between the practice tee and "on course" instruction as the instructors see fit

Eldorado Junior Academy:

The best way to introduce your junior to the game and watch them progress into confident young players. Classes are broken into five skill levels and they graduate up the ranks based on their performance and testing!

The program focuses on golf skills, but also teaches trustworthiness, respect, responsibility, fairness, citizenship and etiquette.

The academy is growing very quickly, so get your junior involved today!

Each level meets twice a week (Tuesday OR Wednesday after school, and Saturday afternoon)

Full tuition is \$135 for the month (up to 10 sessions), and a Saturday's only tuition (for multisport juniors) is \$75 per month (up to 5 sessions).

It's a new year with new possibilities. We are looking forward to an exciting year in tennis and hope everyone will be a part of the tradition of fun and excellence. We have many events and exciting news that will be coming over the next couple of months, but unfortunately not completely available at the time of this publication so stay tuned in to the newsletter and the

facebook page. (like us at Eldorado Tennis on Facebook today—this is where you will see weather updates and other info quickly and easily!)

I am excited to say that we have a new Tennis Deck TV that will be hooked up and will be a great addition to the tennis patio. It will be great for football watching after team tennis, Tennis Watching parties, and of course the summer time OLYPMICS!!! We can thank the Eldorado/Palmer member sponsorship program for the funds for such an upgrade. Every time you invite a guest out to the club, let us know so we (you the member and us the staff) can welcome them as guests and recognize you as an ambassador for your club. Members and the pride they take in their club are the tipping point for guests' decision about joining the club! Please stay tuned for other facility improvements for 2012.

Many successes for you and your families in the coming year.
