# Ambassador News...by Chris & Jill Heidorf

Spotlight this month is on two of our Ambassador Couples.

**Darin & Cheridy Dodd** – Affectionately known as the Dodd Squad, Darin & Cheridy have 3 boys and they all play golf together. Ambassadors for three years and active in all aspects of the club. You will find Darin on the patio drinking Stella with Cheridy having a Louis Martini Cab. When not at the club Darin raises money for McKinney and other local schools and spends the rest of his free time sitting in the stands watching one of their 3 boys play in their various sports. Cheridy spends her time hanging out with awesome kids at church; watching sports with her boys. She loves all football (HS; College; NFL—Cowboys!); favorite pastimes include riding ATV's; fishing and shooting guns—the Dodd Squad is an outdoor family!

**Charlie & Lori Busa** - The Busas have been Ambassadors for two years. Lori is working at Nebraska Furniture Mart in the Home Office Furniture and Entertainment department, make sure you go in and see her especially if you need a gun safe! Charlie spends his time playing golf and fantasy sports at [fantasyhub.com](http://fantasyhub.com). Lori's favorite drink is Tito's n Tonic, while Charlie favors Knob Creek on the rocks. You will find them cheering on The Ohio State Buckeyes with us, and they love spending time at the club with so many friendly people and a casual atmosphere.

See you around the club!

## Board of Governor News...by Ron Harper

Spring is finally here, we hope! As much as we need the rain it would be nice if we could get a few good days of sunshine to enjoy the golf course. I hope that you have had the opportunity to meet and greet Joe Don Davis to the Club. Joe Don is filling in as General Manger. If you read the State of the Club letter, you will notice that the new ownership has plans for a number of capital improvements to the clubhouse and the golf course. Some of these improvements may cause short term inconvenience, but we need to focus on the long term benefit for the membership. Now that the weather is nice I hope that everyone can take full advantage of what the club has to offer.

# Calef's Corner

Hello everyone, and welcome to the April edition of Calef's Corner. This month we are getting BACK ON THE GOLF COURSE!!! We have had a very long and wet winter and early spring, but that seems to be behind us now and it is time to get ready. For most of us fair weather golfers we have probably forgotten what end of the golf club to hold and which end to swing. Now is the time to take a tune up lesson from Coach Chad Moscovic or myself to warm up those golf muscles and get ready for the start of the Men's and Women's tournament golf season.

This month also signifies the start of some of our fun events during the week after you get out of work. We have Powerball every Wednesday with a rolling pot and hundreds of dollars on the line every week. We also have Friday Night Fun and Guys and Dolls, which give you an opportunity to enjoy some friendly competition, have a couple of drinks, and a load of laughs with your favorite golf partner. You will also notice that we have begun to add some new events to the calendar this spring. We had our "Spring Kick-Off" at the end of March with 3 different demo days, tons of golf giveaways, and fun games for all of our members and their guests. Thank you to everyone that attended and had some fun. The Springtime is the time when we are all glad to be golf members. The days are longer, the temps are warming, and the grass is growing. It is a time to take advantage of those half days at work and sneak out to the course. We here at Eldorado recognize how hard the winter has been and that is why you will notice that we have opened on a couple "Bonus" Mondays throughout the last month and this. It is our way of saying "Thank you for being a member". We know that good golfing days have been few and far between, so if we see a good Monday to take advantage of for you we will be open for play. Thank you for your patience with Mother Nature, and thank you for abiding by the cart path only rules when it is necessary. As always

CALL NOW TO RSVP!

The Weather God has not been too good to us lately but it's that time of year that we can all look forward to much better golfing weather coming soon.

First of all let me apologize for getting our play times wrong on the March letter. It seems I said we would start at 8:30 A.M. and that time does not begin until June. Sorry ladies. Everyone knew better and came at the correct time anyway except me.

We have the following Events going on in April. Please put on your Calendar.

1. April 1<sup>st</sup> – We play the EWGA ladies.
2. April 8<sup>th</sup> – Playing Scramble with the Pro
3. April 22<sup>nd</sup> & 29<sup>th</sup> – Member/Member (Kathy will explain in our morning meetings exactly how this Event will be played.)

Attention: We will be having our Exchange with Heritage Ranch Ladies sometime soon. Please watch for it and sign up on line. Do this as soon as possible because they normally will only allow a certain number of ladies and in the past it has been 20 or 25. These go pretty fast so don't miss out. It's a fun course as most of you know and we look forward to playing there.

Happy Birthday to our March & April Birthday Girls.

# ENGA

## Chad Moscovic Golf Academy at Eldorado Country Club Junior Academy

My objective is to provide each junior with the skills, knowledge, etiquette, and confidence needed to perform well on a high school team and eventually college team if the junior desires. I know what it takes to play NCAA level golf, and I know how much work it takes to get there as a junior. I want to give every player the chance to be a great golfer if they choose to be.

In this program, juniors receive time and attention on the golf course through group lessons as well as an individual lesson each month, allowing specific player and skill development.

Areas of concentration will be:

- Repeatable full swing development
- Short game
- Course management
- Confidence

Positive Attitude

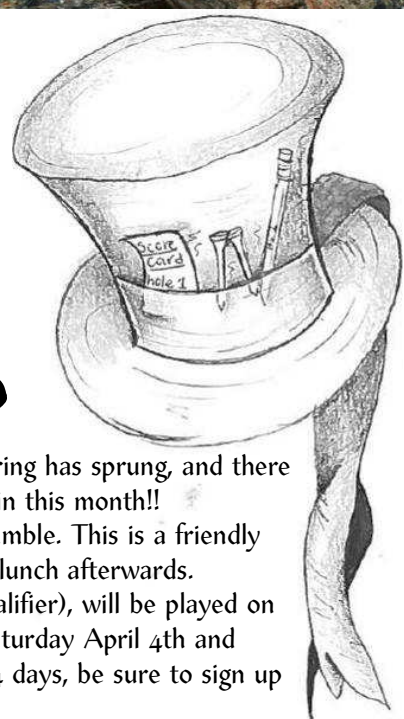

### Clinics & Lessons

Coach Chad also teaches clinics & private lessons. Call or email him to check availability.

**Tennis Talk**  
**At Eldorado**  
**w/ Grady McKee**

Hey TEAM ELDORADO,

The Rain has wreaked havoc on our team tennis and I appreciate all the captains for their continued teamwork and effort to accommodate all the make up matches. It shows a great amount of Leadership to get all these done with our limited court space...speaking of court space, please remember to check in at the shop before taking the courts. If you are asked to move for a match or programming it is usually because of a check in issue and we want to avoid that at all costs.

Congrats to Brittany Brooks for winning the Wichita Falls SCMZ tourney March 15<sup>th</sup> in doubles and Daniela Benigno for winning her CMZ and Andrew Lawson for winning his ZAT in February and qualifying for SUPER CHAMP and Champ ranking! Way to go TEAM and to all the TEAM ELDORADO kids who continue their success at School tennis and USTA. We are very proud of the hard work and effort.

See ya on the courts!

## Golf Course Talk

As we head into April it is a very busy time in the golf course maintenance department. The grass should all have broken dormancy by now and though it may not be growing at full capacities due soil temperatures being too low it is still green and much more pleasing to the eye than dormant turf. The soil temperatures should reach optimum between the middle and end of the month. Soil temperature is the main signal that turfgrass uses telling when to grow and when to conserve its energy. For the majority of warm season grasses; which our Bermudagrass falls into, the window between seventy and ninety degrees Fahrenheit provides the best growing conditions. When soil temperatures are above this range the plant will slow its growth and expend energy to protect itself by storing carbohydrates in the roots to use when the soil temperature returns to optimal growing conditions. When temperatures fall below seventy degrees the plant does the same thing until it gets cold enough to go into dormancy. Keep this in mind throughout the month as the grass may be green but may not be growing at full potential.

Also during the month of April we will begin vertical mowing the green in conjunction with our weekly topdressings to help control the thatch layer in the greens.

The majority of the time this will take place on Mondays while we are closed. However there will be times that we must do this on other days during the week. These two cultural practices along with core aeration are the best ways to control thatch in our greens. Your understanding is appreciated while we perform these much needed tasks.
