# Ambassador News...by Chris & Jill Heidorf

Easter Brunch was sold out! If you have not attended a specialty Brunch, you must make sure you do. Chef Chris was off the charts on melon carvings, ice sculpture, and food presentation! Be My Guest Golf Tournament was so much fun for our new members to invite their prospective members, we signed up several new families.

*Spotlight this month is on two of our Ambassador Couples.*

**Marilynn & Mel Tolle** - The Tolle's have been Ambassadors for almost 2 years. They recently moved from Fairview and left the donkeys and cows behind and moved to a new home on the 15th green and love their new surroundings. They enjoy meeting friends at The Club for dinner or drinks and visiting with family and 8 grandkids, especially the youngest, 2 1/2 year old granddaughter, Kate.

**Jessica Oakes & Kevin Carney** – Jessica and Kevin are new Ambassadors this year and really enjoy using golf as their quality time together. They love travelling for long weekends that involve wine tasting, boating, and golfing. A fun fact about Jessica and Kevin is that they are both from Long Island NY but moved here 16 years apart and then met! You will find them at the club drinking craft beer and red wine, depending upon the day!

**We can now accept member payments via EFT. If you are interested in taking advantage of this option, please contact Shanny at 972-529-6779 x 206.**

**Also, remember to update your email addresses with us for billing purposes and to stay up to date on everything going on at the Club.**

## *Board of Governon News...by Ron Harper*

May is upon us. It is amazing to think that the year is almost half over. May brings warmer days, more sunshine and plenty of opportunities to enjoy everything that your Club has to offer. I want to highlight 2 things that should not be missed: Party on the Patio and Dinner Club. Party on the Patio offers great food and good music; combined with warm weather and good friends – it cannot be beat. Dinner Club offers Chef Chris an opportunity to experiment and to present a dining experience that cannot be duplicated in the McKinney area. If you only like steak and potatoes, stay away; but if you want to have your taste buds challenged and amazed, sign up and be dazzled.

# Calef's Corner

Welcome to the May edition of Calef's corner. I am excited as I write this because the weather is warmer and the golf course is in GREAT condition. We have had a perfect spring for growing, and that in combination with the hard work put in every day by Aarons staff equal a great golf course. The grass is green and plush, the leaves are filling the trees, and other than a few thunderstorms, the sun is popping up daily, and staying up until after 8PM. If you can find a way to cut out of work early during the week you should have no problem getting all 18 holes in before sunset.

That leads me into the one topic that I try to touch on every month, and that is how to improve at the game of golf here at Eldorado. This month is simple.....PLAY MORE GOLF! When I am giving a private lesson one of the things that we focus on is hitting a lot of golf balls. The reason is simple. Most players don't get in the necessary practice to build a solid, consistent golf swing. It is the reason that you may play two or three holes well, but then have a blow-up hole or two, and then "find it" again and play a couple more good holes. With good fundamentals and repetition your swing will be consistent from shot to shot, hole to hole, day to day. This time of year by playing more golf, you will find that your scores will go down; I just can't promise that it will be immediately. 😊

This time of year is a when I also like to bring up another topic that affects our golf course, but more importantly, our practice facilities. One of the great things about Eldorado is the fact that you can walk 100 feet from the clubhouse to hit range balls or practice your putting. This is a very convenient facility that way. What we need to watch out for as we get to longer days and especially with school getting out soon, is children on or near our putting green and driving range. We are a special place because of our family atmosphere, but we need to be mindful of where our children run and play. Outside of the obvious concern of someone getting hit with an errant shot, as children play things inevitably get broken. We have already had to replace 4 cart signs, all of the flags on the putting green more than once, and a storage container near the cart staging area. The items that I speak of are relatively small, but do add up and cost money over time. I really appreciate everyone cooperation with this issue. If you see someone walking or playing in an area that is dangerous or where they are not supposed to be, please make the staff aware so we can handle the situation. Thank you again.

As always, Thank You for Being a Member!

Fairways and Greens,

Mike Calef, Head Golf Professional

**Our Member Relations Director, Amber Cox, is Engaged!! As much as she would love for all of you to be at her wedding, there is not a facility large enough to hold everyone who wants to be a part of this special event. So instead, her and her fiancé would like to invite those who want to be a part of this happy occasion to come out on Thursday, May 21st from 6:30-8pm to meet the man that stole her heart and enjoy some hors d'oeuvres and happy hour drink specials!**

Well, May is finally on its way in and hopefully some good golfing weather along with it. We've had some good days and some rainy cool days but everyone seemed to be in the mood to play golf so the rain didn't stop anyone.

The Member/Member game was scheduled on the 22nd and 29th of April and I'll announce the winners on the next newsletter.

Mike came out to play golf with the girls in April and gave us all some good pointers on how to play and we all enjoyed having his help. Thanks Mike!

Coming up on May 13th is our exchange with Heritage Ranch. We have 25 ladies signed up. The cost is \$35-40 which will include golf and lunch. It's a scramble so all can enjoy playing. It is a fun time and the Heritage Exchange always has good food and wonderful prizes! A good time will be had by all.

May special events are as follows:

5/13/15 Play Date Exchange with Heritage Ranch (Scramble with Lunch)

5/20/15 Match Play (Deadline 5/19/15 at 11:00pm)

5/27/15 Member-Guest (Deadline 5/26/15 at 11:00pm)

Birthday girls for the month of May are Lynn Hetsel on 5/13 and Nancy Collins on 5/8. HAPPY BIRTHDAY and good golfing!!!

## Chad Moscovic Golf Academy at Eldorado Country Club Junior Academy

My objective is to provide each junior with the skills, knowledge, etiquette, and confidence needed to perform well on a high school team and eventually college team if the junior desires. I know what it takes to play NCAA level golf, and I know how much work it takes to get there as a junior. I want to give every player the chance to be a great golfer if they choose to be.

In this program, juniors receive time and attention on the golf course through group lessons as well as an individual lesson each month, allowing specific player and skill development.

- Areas of concentration will be:
- Repeatable full swing development
  - Short game
  - Course management
  - Confidence
  - Positive Attitude

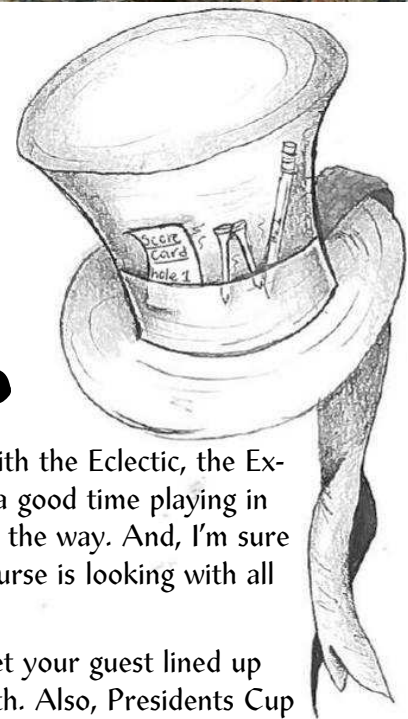

### Clinics & Lessons

Coach Chad also teaches clinics & private lessons. Call or email him to check availability.

Hey TEAM ELDORADO,  
 Another successful spring season with lots of wins and lots of fun. We appreciate everyone working together to make Eldorado a fun place to play tennis despite all the rain and make up matches! I know it is frustrating, but we had a great season and the weather will be 100 degrees before we know it! Congrats to our juniors on their team tennis seasons at school and we look forward to a great summer of gains for next fall...don't be afraid of the 2 a day offerings as we will pace it with lots of tennis, skill building, team activities, and much more to get better everyday. The unlimited option is a steal this summer as we offer 16 classes per week. This option is easily \$500 or more at any other facility...we feel that if you will commit to more JD then we will commit to make it more than reasonable. (remember—unlimited is a 3 month commitment for the summer due to the price discounting)

We look forward to seeing you at the fun events scheduled for the summer and don't forget we kick it off with the 105 tournament on Memorial Day from 9-12 so get a team ready for the big event!

## Golf Course Talk

As we head into May we have our first core aeration scheduled to take place on the 4<sup>th</sup>. These aerifications are a very important cultural practice that helps us manage the thatch layer in our greens. Without managing the thatch our greens would become soft and spongy, susceptible to disease, and display inhibited drainage. We will be pulling a 3/8ths core and expect the time to heal to be about two weeks. Thank you in advance for your understanding during this process.

Thank You for being a member!!
