

Dear Fellow Members,

In July I had the opportunity to travel to Latrobe, PA. During this trip I not only met Arnold Palmer and played his home course, I also had the opportunity to meet the Board Presidents from all of the APMG private clubs throughout the United States. Needless to say, it was a memorable experience. While there are numerous differences between the APMG clubs, one thing stands out in common: All of the clubs are in many ways better since APMG became involved. Driving this improvement is the initiative of club members who take ownership of their clubs. We are in the infancy stages of making this happen at Eldorado. We have changed the role of the Board of Governors. We have created a Membership Committee. I will be recommending at our next Board meeting that we create a Social Committee to work with Club staff to define and oversee all non-association events. I ask each of you to take a different view of Eldorado. Look at it as "YOUR CLUB". Get involved. Eldorado is already one of the better country clubs in North Texas. Together we can make it one of the premier clubs in Texas!

Enjoy the club!

Regards, Raj Bhargava

Richard Steltzner established his first Stags Leap District vineyards in 1965 while concurrently engaging in vineyard management. Steltzner Vineyards' first commercial release was in 1977, and the Steltzner Family established their own modest facility in 1983, with a 3,000 case capacity in the Stags Leap District.

In 1989, Dick and Christine Steltzner began the expansion of their winery with a 710 foot underground storage tunnel, which has allowed increased volume as well as enhancing the quality and characteristics of wine storage. In 1992, the expansion was completed with a Mediterranean style structure providing a new laboratory, special event room, offices, and reception area for winery visitors. It is topped with a 3-story observation clock tower providing a bird's eye view of the Steltzner Vineyards and surrounding Stags Leap area.

## Salad

**Chilled Grilled Vegetable Salad with Balsamic reduction and extra virgin Olive Oil.**

Yields 6 Salads

2 Cups Balsamic vinegar  
1/2 cup honey  
1/2 cup extra virgin olive oil  
24 ounces mixed greens  
1 zucchini  
1 yellow squash  
2 tomatoes  
1 red onion  
1 bunch asparagus  
1 cup toasted pine nuts  
1/2 cup Asiago cheese

### Method:

In a small pot combine balsamic and honey and reduce over medium low heat until thickened enough to coat the back of a soup spoon. Then let it chill to room temperature. Cut the vegetables into lengthwise pieces except the onions and tomato cut them into rounds. Salt and pepper and drizzle with oil. Cook on a hot grill for 1 minute on each side, then remove and let sit at room temperature. After the vegetables have

cooled, be creative and cut them into different shapes and pieces.

For plating, get 6 chilled salad plates. Take the mixed greens and position them on each plate by making a nest in the center. Arrange the vegetables around the greens evenly, then drizzle the balsamic reduction over the entire dish with a spoon generously. Then do the same with the oil and pine nuts. The salad is now ready to be served.

## On the Greens with Paul Hagy

Improvements, improvements, improvements. Since Palmer Golf has taken over, it has been a steady flow of improvements to the golf course. I hope everyone has been able to see and enjoy the things we have done. If you haven't been out in a while, you should come out and take notice.

We have built new water coolers and sand stations. We tried to match as closely as possible the stone used to build the clubhouse. The bridge on # 17 has been repaired and is much quieter. I know there are homeowners enjoying the peace and quiet. We are in the process of leveling and repairing broken sprinklers in the fairways. This will make a big difference in the amount of dry spots we see this time of year. Finally, we installed a fertigation unit that allows fertilizer to run through the sprinkler heads. In my opinion, this has been the single biggest difference maker in the quality of the course this year,

All of these projects have been on my mind for several years now and thanks to Palmer Golf we are finally seeing things happen. I also hear a rumor that when we hit "trigger" Smitty will finally get his new sand traps. All it takes is referrals, Jim.

Last but certainly not least, we all need to thank Mr. Huff for allowing us to use water from his home to keep #5 green alive while we tried to fix a leak. Thank you Mr. Huff.

Thanks,

*Paul Hagy*  
*Golf Course Superintendent*

## Hole-In-One

On July 2, 2005, Mark Womack had a hole-in-one on hole #7. There to witness was Jim Smith, Wendall Seaman, and Craig Davison.

On July 10, 2005, Paul Sumrow had a hole-in-one on hole #16. There to witness was Mark Downey, Eric Liepins and George Riddle.

August is going to be a great month to do something different. This month we are going to have a free guest week. Most of you have seen the great improvements that we have been able to do like tree trimming and the stone work around the cart path, plus new golf carts. These improvements are all results of the new membership drive here at the club. From August 9th through August 14th you can bring a guest out to play for free, cart not included. All we ask is that you register your guest in the golf shop by filling out the guest card. The Junior Club Championship will be held on August 9th and begin at 5:00pm. Call the golf shop to sign up or for more information. Thursday, August 25th the EWGA Solheim Cup will be held at Eldorado.

I need the help of all golfers to please remember to bring your golf cart back to the staging area after you play. When the golf carts are left in the parking lot, there is a chance one may get stolen.

August 6th and 7th will be the our annual Parent Child tournament; this is a great event the format is alternate shot and the children will play different tees based on their age. The different groups will be Mother- Daughter, Mother-Son, Father-Daughter, and Father-Son, so be sure to get signed up for this event.

The next MGA event will be on August the 13th. This event will be the Club Championship Tune up and the start time will be an 8:30 shotgun.

The Drink & Drive will be August 19th this event will be a 6:00 PM shotgun.

The Guys & Dolls will be played on August 21st with a 2-person shamble and start with a 1:30pm shotgun.

August 22nd will be another Member Appreciation Day, remember this event will be a \$15.00 charge for the member and \$25.00 for the guest and this includes lunch.

The senior club Championship will be held August 27th & 28th; this event is open to all golfing members' 50 years of age or older. The format is 18 holes of individual medal play each day with winners in both gross and net.

Don't forget the LEGG group will be playing every Tuesday night this month starting at 6:00 PM, if you would like to play please call the golf shop.

Thank You

Tim Brown  
Head Golf Professional
