## Imagine This.....

**Bob Philo**  
2009 Board President

The older I get, the more I resist change of any kind. But I keep reminding myself that change is both inevitable and good. ECC is undergoing some changes and it is my hope and intention that each of them will be better for both the people involved and the Club. I have really enjoyed working with Chelsea and Donny and wish them both much success in their new ventures. They have both done an excellent job during their years here. Jill and Jayson have big shoes to fill but I know that they both will bring much to our club – new ideas and enthusiasm included. Likewise, we will have several new members on our Board of Governors. Thanks to those BOG members who are rotating off (and also to those remaining) for your service this past year. Due to the economy, it has been a year where we could not accomplish much except to maintain the status quo and make small improvements where we could.

So, I am excited about 2010. We have “new blood” and fresh ideas at a time when the economy should be turning around. We will not be in a holding pattern this coming year. We will add new members and we will reach our goals so that we will have Wish List Funds to spend in 2010. But how will we spend them?

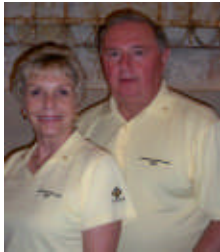

In addition to the ideas illustrated on the Imagine part of our Club website\*, the following suggestions have been made by members through the Wishing Well (numbers indicate multiple suggestions): more tennis courts, another tennis backboard, wind screen on NW side of Court 5; new pool deck, new pool furniture (3), swimming blocks (2), bigger diving board, phone to order from Sports Grill; new fitness equipment (2), fitness area for kids; enlarge Sports Grill patio for kids and families; misting device on patio; add patio outside

banquet area; basketball court (2), new patio furniture, more older-friendly toys in kids room, replace chairs in Sports Grill, foot rail on bar (now scheduled for January); fans in ladies’ locker room, upgrade locker rooms, TV and bar in men’s locker room, blacken windows in locker rooms; better short-game area (3), more mats for lefties, new pitching green (3), spot light on practice green, video instruction area; fix steps on #14 (5), upgrade irrigation system, add one more par 5 and par three, level tee boxes, fix ladies #15 tee, replace walls on #17 tee boxes, wrap bunker around back of #8 green, add waste bunker on right side of #4 fairway’s landing area, add drains, trim trees in front of #6 tees, and add flowers on golf course.

See you around our Club.

## Ambassadors News

**Ron & Barbara Wagner**  
Ambassador Club Co-Chair

Over the course of the last year we have been asked by many members, “What is the job of the Ambassadors?” Well, we are a mixture of ages and we are proud to be members of Eldorado Country Club. We are friendly, we are social and are not afraid to go up to a member and introduce ourselves. We welcome new members and introduce them to other members both new and old. Our objective is to make new members feel like old members, much like the patrons of “Cheers.” We would like to thank the members that consistently introduce themselves and include new members at events such as “Martini’s with the Manager.” One of our newest members expressed, at the last Martini night, what the Ambassador club is all about when they said “Now this is a club.”

Congratulations to Karen Williamson and her committee on the successful charity week for the Children and community Health Center of McKinney. It was a very well run event. Thanks to all who participated.

Welcome to Jill Ruskowski, the new Membership Director, and liaison to the Ambassador Club. Please introduce yourselves to Jill and make her feel at home. The new co-chairs of the Ambassadors club for 2010 are Wendy and Todd Hall. They have been great Ambassadors and we know they will make great Co-Chairs.

Happy Holidays! See you around the club.  
Barbara and Ron

## Message From The Manager

**Donny Darville**  
General Manager

Over the past couple of weeks, our company has been going through a slight restructuring. In the restructuring, the General Manager position at Berry Creek in Georgetown, TX became available. I have been offered and I have accepted that position. This offer and position caught me completely off guard and came up very suddenly. It was an offer and opportunity that I could not pass up.

Jayson Petterson will become the new General Manager of Eldorado. Jayson is a great guy and has been the General Manager at Pecan Grove in Houston for eight years. He and his wife are from this area and their family still resides here. This was a great opportunity for them to move back home. Jayson will be a great addition and please welcome him to your club. The transition will happen in January. I am planning on being here full time through December and leave to Berry Creek permanently in January.

Lastly, I had no intention of leaving Eldorado and it saddens me to leave. I totally enjoyed being here and I intended on staying here a lot longer. McKinney and Eldorado have been an incredible place for me and my family. It has been a great four years. I will cherish the friendships and experiences I have gained through this wonderful membership. Thank you for all your support through the years and please give Jayson the same support you gave me.

Thank you for being a member!  
Donny Darville

## Welcome Jill The New Membership Director!

**Jill Ruskowski**  
Membership Director

*I am so happy to be apart of the great team here at Eldorado Country Club. I feel like part of the family already by all warm welcomes from many of the members. I decided to come to Eldorado after a 5 year tenor at Ben E. Keith Beverages as the High End Brand Manager. I credit all my success to the relationships and great customer service I have built and with my clients. I hope to see everyone around the club. Thank you for the support and the referrals!!!*

## Gossip From The Grill

**Cathy Taylor**  
Food & Beverage Director

First I would like to thank all of the Members of Eldorado Country Club for a wonderful year. Many other establishments are struggling but due to our loyal members and their patronage we have had a great year.

It is time to start planning for Breakfast with Santa on Saturday, December 12. This is a very popular event and usually fills up quickly. We have Steak night planned for Friday, December 11 with live music from Eric Erickson. The pasta action station will be on Friday, December 4 and Fajita Action Station on Friday, December 18.

I hope you plan to celebrate New Year's Eve with all your friends at the Club. This year's theme is a Masquerade Ball and the entertainment will be provided by the George Anderson Signature Band. This is a great night and close to home.

Friday, December 11 there will be a Ginger Bread House demonstration from Debbie Dennison for children 5 years old to 12 years of age. This fun event is sure to get your children in the holiday spirit. There will be two Girls Nights Out this month. The first will be Wednesday, December 2 Simple Holiday Cooking with fellow member Debbie Dennison. The second Girls Night Out will be on Wednesday, December 9 a Holiday Tour of Lights in Highland Park.

Eldorado is a perfect place to hold your holiday functions from groups ranging in size from 5 guests to 300 guests. Tracy can help you design the perfect celebration.

Martinis with the manager was a quite stomping good time in November. We have planned a member appreciation in December on Thursday the 17<sup>th</sup>. We will have complimentary gift wrapping, live music, delicious hors d'oeuvres and toddies for the body.

Wednesday, Half Price Night continues to be a great success, please be sure and make reservations. Fridays will have a Happy Hour from 5pm to 7pm with free hors d'oeuvres and \$1.00 Draft Beer and \$2.00 House Wine.

I look forward to seeing everyone at the club this month.

## On The Green's With Aaron

As we head into December we will probably have already had our first frost of the season. Usually our first frost will affect the roughs and the fairways. It sometimes will be mid December before we have our first frost occur on the greens. It is when we have first on the greens that a delay in start times will occur. The reason for the delay is to protect the greens from damage that may occur from mechanical and foot traffic. The reason that damage can occur is because the leaf of the plant is frozen. When weight is applied the cell walls of the plant can be shattered because they consist mostly of water. One footprint is not that bad but when you consider that one foursome can leave up to one hundred footprints per green it can be rather devastating to the turf when it begins to actively grow again in the spring. So please bear with us when we have frost delays and we will get you out playing as soon as the turfs health is out of danger.

The golf course maintenance staff would also like to wish everyone a happy and safe holiday.  
 Thank You for being a member!!
