# AMBASSADORS NEWS

**Bob and Carolyn Philo**  
Ambassador Co-Chairs

I am writing this article just after our national election and thinking about the upcoming changes in leadership in the White House and here at ECC. It seems that change is inevitable. Carolyn and I will be replaced as co-chairs of the Ambassador Club on January 1st. We have enjoyed that honor but it is time to step aside. We will remain as volunteer members of the Ambassador Club in 2009-as will some of the other present members. But there will be a majority of new members in the Ambassador Club and new leadership. This is a good thing for ECC. The more members who are actively involved in welcoming new members and assuring that they become active in our club, the better. Likewise, new leaders will bring fresh ideas to respond to the current and coming challenges we face at our club.

An additional benefit and responsibility that goes with being co-chair is membership on the ECC Board of Governors. Carolyn was on the BOG when she was President of the ENGA so I served on the BOG this past year. It was both a challenge and a pleasure to work with members and with staff. Your Board faced some tough decisions this year and worked through every one of them with good results. There will be some changes to the makeup of the BOG next year. We will be electing three at-large members, and I am encouraged that so many members have stepped up and volunteered to serve in that capacity. There will also be changes as some of the men's and lady's golf and tennis organizations will be electing their new leaders. We are all very fortunate that Arnold Palmer Golf encourages member input and participation through the BOG.

Carolyn and I, on behalf of all of the Ambassadors, thank you for your support of our club through membership referrals. Meeting and greeting new member prospects as they are touring our club and members when they have been extended an invitation to join. But most of all, for continuing the reputation that we have as being "such a friendly club". May it always be that way!

# Message from the Manager

At Eldorado Country Club, your membership is appreciated! With the support of our Board of Governors, associations, committees and Ambassadors Club, many different clubs with in a club, and our staff we work hard to create an environment our entire membership can enjoy. I want to take this opportunity to thank you for being a member of Eldorado Country Club, and thank you for all the great comments I heard this year about the club and golf course. It was a wonderful year for the club with the golf course being in its best condition ever and the huge success with our member events and member dining.

I would like to also give a huge thanks to Bob & Carolyn Philo, our Ambassador Club Co-Chairs. The Ambassador Club did an amazing job this year helping integrate all the new members that joined in 2008. The club enrolled almost twice as many members as it did in 2007 and having the Ambassadors introduce them to the club has been a great asset to our membership and club.

Have a safe and wonderful holiday season!

## Ron's Ramblings

I hope everyone had a great Thanksgiving. Is always a great time to spend time with family and friends. Now that Thanksgiving has past it hardly seems that we can catch our breath before the end of the year festivities. For those of you who have not attended a New Year's Eve party at the Club, you do not know what you are missing. Great food, great activities, time to be with friends. Hopefully we'll have a few brave souls willing to put on their tuxedos this year.

If you have not received it yet, you should shortly be receiving the ballot for the Board of Governors. These individuals have offered to commit their time to serve you. The least we can do is take the time to vote for the candidates of your choice. Every vote counts in an election such as this. Last year the difference between third and fourth place was 3 votes.

Several of us at the club have talked about the lack of a Club History. There is nothing in writing that takes us from the thought that Eldorado to what we are now. I know that there are several people who have been here from the start. I have offered to coordinate the writing of a Club History. I need the help of everyone who has been here for a while. If you are willing to sit down with me for a few minutes and relay your thoughts, share pictures, share old documents please let Donny know and he will arrange a time for us to get together. I'm sure that there are lots of stories (maybe even some that we can print).

Hope to see you around the Club.

## On The Greens With Paul Hagy

Hello, everyone! Christmas season is upon us and hopefully we will all be able to spend some time with our families. The fall weather has been extremely warm and dry which will have an impact on playing conditions. Warm weather brings out more golfers which means more carts zig zagging across the fairways. Couple that with dry weather and you have a recipe for thinner than normal fairways. Since the grass is going into dormancy, due to the cooler weather, it will not have a chance to recover until spring. A couple of years ago, we went to cart path only three holes at a time to help save turf on the hitting area, and that is perhaps the route we will take this year also. Fairway aeration next year will be very important to relieve the compaction created by extra rounds of golf this year. As a whole, the golf course is in fine shape and should hold up well through the winter.

I have also had a few requests to remind everyone of the adopt a hole program which was introduced a few years ago and designed to keep the divots filled on fairways and tees. I will have the golf shop post the holes and letters of the alphabet associated with that hole so we can resume the program. This should help in keeping the course in excellent shape throughout the year. For your exact holes, check the golf shop but the program works something like this. If your last name begins with the letter A through C, you would be responsible for filling any divots you see on hole number 1 and 2. D through F would be holes 3 and 4 and so forth. Again, this is only an example of how the program works and the actual hole assignment will be posted in the golf shop. Sand is provided on holes 2,5,7,10,12,15, and 18 to refill your bottles for those who go "above and beyond the call of duty". The sand bottles on holes 5,10, and 15 seem to disappear but we will monitor them daily keep as many filled as possible for you to use.

Have a Merry Christmas and a happy new year!

# On the Courts with Grady

The year has come to an end and it seems like it just began ...you know the clichés. But, as the years disappear in front of your eyes and in this month of reflection and family I hope everyone has appreciated their club friendships along the way. But, truly appreciating the good and sometime trying personalities of everyone at the club is what makes it fun and exciting. The variety will do you some good as it does for us. I want to thank every member for their continued support of the program, the staff, and myself. I have enjoyed the ever changing climate of expectations from the membership. And, I think we have accomplished satisfying of them during the past 5 ½ years that I personally have had the privilege of serving as your director of tennis. I thank you.
