

ELDORADO
COUNTRY CLUB

WE ARE "TRIGGER" HAPPY!

Congratulations Eldorado Country Club Members! Fourteen months after Arnold Palmer Golf Management partnered with you, 100 net new golf members were added. With that accomplishment, each month dollars are being accrued for capital improvements at your club!

The Finance Committee is reviewing your feedback on how to improve your club through projects on the course, courts, and clubhouse. Look for notices from the Committee that will update you on the progress of these projects.

Did you know that a waiting list for membership is right around the corner? Reaching this goal will show that Eldorado really is the Premier Country Club in McKinney!

Message From The Manager

Summer at the club is an exciting and busy time of year. Eldorado Country Club has always been known as a family club and we look forward to having all the families out enjoying the club's amenities. Parents, please remember to supervise your children's activities and behavior around the club. The addition of the **Kid's Zone** on Friday nights is a great place for kids 7 and older to hang out and have some fun. Each Friday night we have planned special events for the Kid's Zone. Families coming out on Friday night need to remember that kids either need to be at a table in the Sports Grill or enjoying the activities in the Kid's Zone.

Margarita's with the Manager has turned out to be a happening event. Maybe the Finance Committee will buy me a bigger Margarita machine! The Membership Committee has turned this and many other events into an opportunity to show off your club to friends and associates who may be potential new members. We gained a new member and dozens of referrals at this event in May. We will continue Margarita's with the Manager every three months and also offer \$0 Guest Fees on that day. The Membership Committee invites you to use this event and others to show your friends that Eldorado is the place to be.

Membership News

Colleen Ivey
Membership Director

May was truly an exciting month at the Club! In my 7+ years at the club I have never seen such an enthusiastic and involved membership.

In less than 14 months we reached a pivotal goal of 100 Net New Members, activated the \$550,000 Member

Partnership Fund, and completely changed the feel of the club by changing to the Membership By Invitation Only policy of enrollment.

But the fun and excitement does not end there! Many of you may not know that we are now less than 75 members away from the prestigious Full With A Wait List status.

Why is this exciting you may ask? Being full with a waiting list places Eldorado Country Club among the most prestigious clubs within the Metroplex and the State of Texas. Very few clubs are able to boast the achievement of this coveted status, and we are now only 75 away!! In addition, reaching our full status will release \$13,000 MORE dollars each month into the Member Partnership Fund to be spent on Member controlled Capital improvements to the Club. WOW!

How do we get there??? Easy! With your continued support and referrals to membership, we believe we will be there by Labor Day! But we can't take our foot off the gas and sit back and rest on our laurels!!! We need your help more than ever! The prize is even bigger this time.....it's the achievement of top recognition in the Metroplex as one of the most prestigious private clubs!

What can I tell my friends? We still have a preferred offering in place for your candidates! There is now a small upfront initiation fee along with a participation contract. The upfront initiation fee will continue to increase as we grow closer to the wait list!

How do I refer my friends? Please call or e-mail myself, any of our Board Members or Membership Committee Members with the name(s) of your friends and associates that you would like to have as fellow members! There are only a limited number of spots left, so you will be doing your friends a favor by helping them to join Eldorado as it reaches it's wait list status!

On The Greens With Paul

You have probably noticed, we have continued our tree trimming and removal program. The trees are cleared on hole #11 around the tee boxes and there are plans to rebuild the area. The tree canopies have been raised on holes 9 and 10 and the process will continue for the next couple of months.

Our next greens aerification is set for June 12 and then again on July 17. We are using smaller tines so the greens will heal more quickly; although we are adding an extra aerification in September. This will help us achieve our goal of displacing approximately 35% of the greens surface which will in turn create more consistent greens.

Director of Tennis

May was an excellent month with many great events including the Ladies Member Guest and the Memorial Day 4 Person Team Tourney. Look forward to the events in June that include the **DPTA Junior Tournament** for regular juniors and the **Sneaks and Cleats Tournament**. Be sure to sign up while spots are still available!

I am pleased to say that the court resurface has gone off without a hitch and if you see **Dick Theimer**, thank him personally for the excellent work on the surfacing project. Watch out because the courts are very gritty for the first couple of months and your feet might catch the court more than you are used to! We have also completed the awnings project which will provide shade on the top courts. These awnings will hold up to the conditions far better than the previous canvas tops as they can support a 90 MPH wind load! Thanks again to the membership for making Eldorado a great place to work and play. See you on the courts!
