

Dear Fellow Member,

It is hard to believe that a month has passed and that we are on our second newsletter. As you are well aware, we are working diligently on our membership drive. In this vein, I was recently asked, by someone who is currently a member of another country club, why he should consider joining Eldorado. The answer to that question is pretty easy. Do you feel like you fit in here? It is wonderful that we have the facilities, staff and programming that we have. However, at the end of the day this is a secondary issue. We could have the nicest clubhouse, golf course, and tennis facilities, but if you don't feel like you belong, it is not a positive experience. One aspect that I appreciate of the Arnold Palmer Golf Management team is that they believe in having inclusive clubs. This means that we go out of our way to make new members feel at home. I would like to take this one step further. There are many current members that do not take full advantage of the country club lifestyle that Eldorado offers. I would like to make them feel more at home. We will be discussing this at the next Board of Governors meeting. If you have any recommendations, please forward them to Colleen, Mike, myself or any member of the Board of Governors.

In the meantime, enjoy the club.

Raj Bhargava

Eldorado Board of Governors,  
President

## A Note from the General Manager

It is hard to believe that we have already reached the halfway point of 2005. As the temperature rises so does the activity around the club. While you are enjoying yourself at the club I would like to remind everyone of some important items that may affect your experience, as well as your fellow members, at the club.

The dress code for the golf course is country club attire, which means no blue jeans or denim while on the golf course or practice facilities. Please make sure that your guests understand the policy before they arrive at the club. In the clubhouse for Sunday Brunch, the following dress code is in effect:

- Denim clothing, tank tops, bare midriffs, shorts, tennis shoes & ball caps are not permitted.
- Dress slacks, dress shoes & collard shirts are appropriate in the Dining Room.
- Children's dress codes are held to the same standard as adults.
- Members are responsible for informing their guests of the club dress code.
- Members and guests not dressed appropriately will be asked to dine in the Sports Grill.
- Proper attire may be purchased from the Golf or Tennis Pro Shops, if needed.

An issue that has started to become more frequent is children running around the Sports Grill, clubhouse and golf course unsupervised. For both safety reasons and out of courtesy for your fellow members, I would ask that all members personally supervise their children's activities and behavior while they are at the club. If you are dining, I ask that your children either remain at the table with you enjoying their meal or placed in the Kid's Club. They should not be running around in the Sports Grill, throughout the clubhouse or outside of the clubhouse.

The club is also working very hard to reduce the amount of non-related golf activities on the golf course. I have secured the services of two McKinney Police officers that have and will continue to patrol the golf course looking for joggers, dog walkers and any other trespassers. These officers will patrol the golf course weekly on random nights and days. Please refrain from these activities and if you have any friends or neighbors that you know may conduct these activities on the golf course please pass this information on to them as well.

Lastly I would like to address the issue of parking at the club. There are a handful of days a year when the activity level at the club impacts our ability to accommodate all of our members with a parking spot in the lot. In an effort to minimize the impact to our members, the club will have valet parking available. Signs will be placed at the bottom of each driveway alerting all members that the valet parkers are on duty. The club pays for this service so there is no cost to you, our members.

As always thank you for your continued support. See you at the club.

*Michael Lesku  
General Manager  
Eldorado Country Club*

## On the Greens with Paul Hagy

May was a busy month for us. We were able to squeeze a few projects in around our regular maintenance. I guess the only downside for me is that the cooler weather has prevented the Bermuda grass from taking off.

We have laid flagstone on several holes on the golf course along cart paths on #'s 10, 15, and 17. This will definitely make a big visual impact. We have done quite a bit of tree work on #'s 6, 10, 15, and 14 and hope to do more. After thinning out the tree canopies, we then laid sod in some of the bare areas. I hope you find this to make a more enjoyable round and rest assured there are more improvements on the way!

Thanks,  
*Paul Hagy, Golf Course Superintendent*
