# RED ALERT!

No, it is not the sirens sounding as they did at 4 this morning (April 10th). It is the code and method that we use to alert the staff and members of the Ambassador's Club that we are entertaining a serious prospective member. Serious because we believe this person or family will fit in to our club and serious because we believe that there is a good chance they will accept an invitation to join if one is extended. Yes, that is right - we don't extend an invitation to join our club to everyone who is interested. We are determined to remain Membership By Invitation Only!

**But what does Red Alert mean to you?** First, if you happen to be on the golf course and notice that someone is in a golf cart with a red name tag and tee time on the front of the cart, that is either a prospective member or a member of the Ambassador's Club entertaining a prospective member. Also, if you are in the grill or one of the dining rooms and notice a red sticker on the reservation card on the table, it signifies the same thing.

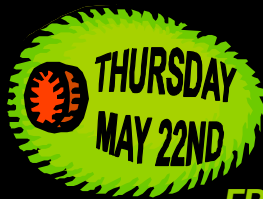

**What should you do if you spot a Red Alert?** Take a moment to come over to the prospective member and say hello and introduce yourself. Did you know that most of our new members who have joined recently say that one of the major factors in deciding on Eldorado vs. other clubs was the friendliness of our members. Red Alerts help both members and staff to emphasize that warmth. We will reach our goal of Full With Wait List if we continue to make prospective members feel at home here.

**Donny Darville**  
General Manager

# MESSAGE FROM THE MANAGER...

Your club is now in full swing with activities for the whole family. Our golf course is as healthy as ever, with new sand traps and newly planted sod. The Pool season is upon us with a great swim program for the kids and the renovated Mulligan's Grill is at your service. Activities like Powerball, Power Bingo, Martinis with the Manager, Clubs within a Club, and 50% off dining nights in the Grill are just a few of the new programs designed for every member to get out and have fun at the club. We look forward to spending time with your family. Let us know what we can do for you. See you at the club!

# Ron's Ramblings

The course sure has greened up in the past few weeks. Before you know it all the kids will be out of school and every one will be scattered all over the world for summer vacations. For those of us who will not be traveling far from home this summer, try to make the club part of your summer routine. There will be all kinds of activities this summer and it will be a shame if we miss them.

**RON HARPER**  
2008 Board President

Storms at the beginning of April took down a few trees and it took Paul a while to clean up due to the wet ground and the fact that all the tree disposal companies were busy elsewhere. As usual he did a great job, and continues to do a great job on maintaining the golf course.

Another person who does not get the recognition he deserves is Grady McKee. Connie and I have recently tried to take up tennis as a way to stay in shape. It is amazing how hard it can be to get a court on certain days and evenings. I think this is a direct effect of the effort that Grady and his staff put in to make tennis a vibrant part of our total club experience.

As you read through this newsletter, take a look at all the activities; Tennis clinics, half-price suppers on Tuesday, Powerball on Wednesday, Ladies night on Saturday, Friday night specials and entertainment, Clubs in a Club, bridge, Men's golf, Ladies golf, Tennis, Fitness classes, Martinis with the Manager. Something for everyone. If you have not been to the club for awhile come on up. Meet old friends, make new friends.

# ON THE GREENS WITH PAUL HAGY

**Paul Hagy**  
Golf Course Superintendent

Hello, all. Another month has gone by and warmer temperatures are right around the corner. March and April have brought their fair share of weather as March brought us two 6 inch snowfalls within a week of each other and April has brought us lots of rain and thunderstorms.

Speaking of rain, the newly constructed spillway on lake # 12 has worked wonders with our flooding problem. It used to take a 2 inch rain and we had to shut down the back nine for a week. Now, we can get much more than 2 inches and be open for play the next day. We have been talking with the city about the dredging that is going to take place and the city has finally received it's permit, is formulating a plan to dredge and then going to open it up for bid to contractors. It looks like the dredging process will take place this year. There are details yet to be worked out but things are moving along.

Also, with all of this rainfall, comes the onset of increased weed pressure. We put out two spring applications of pre-emerge to help control the weeds and have been very busy spraying weeds post emergent to keep the golf course as clean as possible. Sometimes this feels like a never ending task but we will win the battle.

On a final note, last year we faced a challenge with number 17 green being shaded for much of the day which resulted in some turf loss on the back of the green. Over the winter, the turf has not had a chance to recover but now that things are growing we are pushing that green with extra fertilizer to make it heal in faster. There will be some areas on that green that will have to be plugged or sodded but we are trying to grow in as much as possible before we sod.

See you soon!

## Why Are These Guys Smiling?

On Tuesday April 1<sup>st</sup>, (no fooling!) the Eldorado SMGA held our first Interclub Event of 2008 with Stonebridge Ranch. We had 48 golfers entered and the winners are the smiling faces to the right: Dr. Smith, Dick Schlough, Tom McGarity and Pete Huff. They split \$204 first place money.

If you are over fifty years old, you qualify for the Senior Men's Golf Association (SMGA). What are you waiting for?? You could be pictured in the next newsletter!

However you do not have to wait for an official SMGA interclub event. We play every Tuesday using different formats. Handicaps range from 1 to 36, we have no annual dues, and the entry fee is only \$5! Come join us and meet some new friends! If you are interested sign in or call the Pro Shop on Tuesday by 8:00AM for an 8:30 tee off.

We are also trying to establish the Super Seniors who will tee off at 10:00 a.m. You must be 65 or older and play 9 holes. This allows everyone to finish and end up in the Grill at about the same time for lunch or great conversation.

Contact Val Scott 214-592-9954 or Luis Bazan 972-562-9657 if you have any questions or are interested in joining our group of guys!
