Membership News & Updates

Colleen Ivey
Membership Director

As always I want to take some space to welcome our newest members to Eldorado Country Club. The addition of these great families brings us closer to reaching our goal and will continue to grow our Member Partnership Fund for the months to come. Welcome!

- Henry & Becky Gray*
- Richard & Lynn Dodson*
- Dennis & Jeanette Anderson*
- Al & Ellen Palmer*
- Sandra Tedford*
- Kevin & Julie Somers*

We would not be able to welcome these new members if it were not for the continued efforts of their sponsors. These sponsors have gone outside of the club and talked to their neighbors, friends, co-workers, even strangers at the hair salon and nominated them for membership at Eldorado. Nominating and sponsoring someone to join is easy...just ask one of these members:

- Larry & Sharyn Pankey*
- Tom & Michelle Currier*
- Grady & Freda Roberts*
- Tommy & Mary Mac Brock*
- Gerald & Marilynne Todd*
- Randy & Charisse Truelove*

The projects mentioned on the front page of this newsletter are only the beginning! Many more projects are on the list to be completed with money from the Member Partnership Fund.

What is this Fund anyway? In May we activated the Member Partnership Fund and began accumulating approximately \$16,000 a month towards projects and improvements that members like you wish to see done at Eldorado.

How do we get more money? There are a lot of great projects we would like to complete...but they all take money and we need more! The fund grows with each new member we enroll. Thus, More Friends More FUNds.

So what can I do? Talk about your club! Invite your friends and neighbors to join Eldorado. Give me their name & I will send them a nice invitation on your behalf and extend to them a preferred offering for membership. Talking about your club is also a great icebreaker when meeting new people. "Where do you play golf?"...can lead to a new friend and a new member!

Call or email me with any questions about the Fund or Nomination Process.
I look forward to adding your name to our list of valued sponsors!

What an exciting time at Eldorado Country Club. The initial expenditures of the Member Partnership Fund are now a reality. You asked for it, you received it. The lake, the patio furniture and patio fans, the tennis court dividers, and expanded cart paths. Thanks to the hard work of the Finance Committee, your dollars are being spent wisely and timely. It is great that all these projects could be done before our fall season begins. Don't forget: **More Friends More FUNds!**

We had another great turnout for **Margaritas with the Manager**. How can you *not* enjoy an evening with fellow members and free food and drinks! If you were not able to join us, please join us in a couple of months for the next one. I am sure I can find a few more FREE Margaritas for all the great members we have at Eldorado! 5474

This fall you should spend your weekend afternoons watching football on the **NEW 50" Plasma TV in the Sports Grill**. We have created food and drink specials for you to enjoy this season. Come out and enjoy your football season at the club.

I owe a huge THANK YOU to Encore Wire for once again sponsoring the **2006 Encore Cup – Member & Guest Tournament**. The event is already sold out! Encore Wire is one of the big reasons for the tournaments popularity.

Congratulations to Tim Brown! He qualified for the PGA Club Pro Championship in Portland, Oregon next year. This is where he will have chance to qualify for the 2007 PGA Championship. Tim qualified by shooting 73-70 at Gentle Creek finishing tied for 6th place.

PARENT CHILD TOURNAMENT

The 2006 Parent Child Golf Tournament was held on August the 5th with a record 92 players! We all did our best to enjoy the day while trying to stay cool in the 100 degree temperature. The event highlight came down to a playoff for the overall championship between George Adams/Jason Day & Kenny/Dillon Farrell, with team Adams/Day winning on the first hole of sudden death.

Paul Hagy
Course Superintendent

We have many projects going on right now. Construction is almost complete on hole #13. The final touches will be completed when the city finishes the spillway. Our new pump station has been installed and we are anxiously awaiting electricity.

The finance committee has approved the following projects in which we plan to move forward. They consist of adding flagstone to the edge of the cart paths, dredging the pond on #2, building a retaining wall and adding mounding at the end. This will eliminate dirt and ruts along the bends of the cart path. The mounding at the end of the fairway is to catch shots that run through the fairway and into the pond.

Hope you like the new projects and we will keep you posted on the progress.

ENGGA Eldorado Ladies 9-Hole Golf Association

Will the ENGA see you in September? On September 6th, for the second half of the Member/Member Tournament, we "Fall" back to the 8:30 a.m. meeting in the ladies locker room with a shot gun start at 9:00a.m. On September 20th, we play at Hurricane Creek.

October will be a big month for the ENGA, with the "Rally For The Cure" on October 4th and the ENGA Championship on October 11th and 18th. In addition, the EWGA has invited us to play in their "Rally For The Cure" on October 12th if we want to make our own foursomes. Start making your plans early!

Congratulations to the MGA's ABCD Tournament Winners

ADOPT-A-HOLE PROGRAM REMINDER

With all the new members at Eldorado and work being done on the golf course, I thought I would take some space to remind everyone of the Adopt-A-Hole program. This is Your Club and Your Course. The Adopt-A-Hole program is a great way for members to take pride in their course & ensure it always looks its best. Below is a listing of holes and the letter corresponding to your last name. Members are asked to fill in divots, fix ball marks, and keep your designated hole tidy. **Example: Hole #14- Truelove & Tressa.**

2006 EWGA Solheim Cup

I want to thank everyone who came out and supported **Your Solheim Team**. Your support was very much appreciated. To the Ladies who played, thanks for letting me represent you as your captain. I am so proud of **each** and every one of you. You showed what class the ladies of Eldorado have both on the field and off. To the Ladies and Gentleman who came out and bought the much needed refreshments, cheers, and support, Thank You. You were a welcome face when we needed one. Your cheers helped push us to try harder.

To Our Great Club, Donny Darville, Tim Brown, Jeff Stolz, Scott Lindgren, Giles Wilson, Paul Hagy and the entire pro shop staff, Thank you for your hard work getting the course in such great shape for this wonderful tournament. 8528 A very, very special thanks to Cathy Taylor and her catering staff, kitchen and wait staff. The presentation of the room and food was beyond spectacular. I was so impressed and I know that our ladies and our guests felt the same way.

I would like to thank my Co-Captain, Paige LaSalle for all her hard work. The pep rally was a great idea, and one I hope will continue. Steve LaSalle thanks for the wonderful food for the cocktail party. Next year, I hope that no matter what the outcome in our quest for the Solheim Cup, we can always hold our heads up as high as the should be right now. Eldorado Country Club is truly a great club to belong and I am proud of ALL our people.

Deborah Thompson, 2006 Solheim Captain

Grady McKee
Director of Tennis

The summer is coming to a close and I would like to thank everyone for their support over the course of the hardest tennis summer ever. It has been hot, dry, and hard to keep upbeat on many of days, but I thank the membership and the staff for their efforts to work together and complete many great events and drills.

This fall marks the beginning of cooler tennis and I want everyone to mark their calendars EARLY for the events outlined on the calendar. If everyone begins thinking about these events earlier rather than later, then we will have more success planning for said events!! The **Singles Club Championship** and **US OPEN themed Mixer** are in September. 6170

I am excited to report that we will be putting up the court divider netting on the bottom courts soon. The netting was part of the initial money spent from the **Member Partnership Fund**. This fund was created by a net new increase of 100 members to Eldorado. Thanks to the membership and the ownership for working together to accomplish this goal that benefits everyone. Keep inviting your guests to Eldorado so we can keep this membership drive alive! The netting will break away if stepped on, but should only be pulled about 3-4 feet off the back fencing so as to stop balls from traveling into the opposing court. If pulled toward the service line, players running for wide shots run the risk of tripping up into the netting.

Looking forward to seeing everyone signed up for the **Singles Club Championships on September 29-30, 2006.**
